Regulated Rate Tariff Customers
within the City of Edmonton

Effective Date: January 1, 2021

Regulated Rate Tariff – Price Schedule

Residential Service

Applicable:

1. Available to regulated rate customers within the EPCOR Distribution & Transmission Inc. ("EDTI") service area. Residential service is only available to single-phase service at secondary voltage through a single meter and for normal use by a single and separate household. This rate applies to all residential rate customers who obtain service pursuant to the EDTI Distribution Tariff. Not applicable to any commercial or industrial use.

Price:

Energy Charge	**8.117** (cents/kWh) [1]
Administration Charge	**$ 0.202** ($/Day/Site) [2]
System Access Service Charge[3]	As per the EDTI Tariff
Distribution Access Service Charge[3]	As per the EDTI Tariff
EDTI Riders[3]	As per the EDTI Tariff
Local Access Fee[3]	As per the EDTI Tariff

Regulations:

2. Service under all EPCOR Energy Alberta GP Inc.'s ("EEA") Rates, Charges and Riders is subject to the Regulated Rate Tariff Terms and Conditions as approved by the Alberta Utilities Commission.

[1] Rates subject to change monthly. For current rate information go https://www.epcor.com/products-services/power/rates-tariffs-fees/Pages/regulated-residential-power-rates.aspx

[2] Administration charges subject to change. For current administration charge information go to https://www.epcor.com/products-services/power/rates-tariffs-fees/Pages/regulated-residential-power-rates.aspx

[3] Shall be the amounts, either actual or estimated, that EPCOR Energy Alberta GP Inc. ("EEA") is billed by EDTI, for the site, for the applicable billing period.

Regulated Rate Tariff – Price Schedule

Commercial Service

Applicable:

3. Available to each separate electrical service, within the EDTI service area, which is not eligible for residential or lighting service and for which total annual consumption of electric energy is forecast by EDTI to be less than 250 megawatt hours of electric energy at the site with a single or three-phase electric service at secondary voltage. This rate applies to all commercial customers which obtain service pursuant to the EDTI Distribution Tariff.

Price:

Energy Charge	**8.117** (cents/kWh)[1]
Administration Charge	**$ 0.184** ($/Day/Site)[2]
System Access Service Charge[3]	As per the EDTI Tariff
Distribution Access Service Charge[3]	As per the EDTI Tariff
EDTI Riders[3]	As per the EDTI Tariff
Local Access Fee[3]	As per the EDTI Tariff

Regulations:

4. Service under all EEA's Rates, Charges and Riders is subject to the Regulated Rate Tariff Terms and Conditions as approved by the Alberta Utilities Commission.

[1] Rates subject to change monthly. For current rate information go https://www.epcor.com/products-services/power/rates-tariffs-fees/Pages/regulated-commercial-power-rates.aspx

[2] Administration charges subject to change. For current administration charge information go to https://www.epcor.com/products-services/power/rates-tariffs-fees/Pages/regulated-commercial-power-rates.aspx

[3] Shall be the amounts, either actual or estimated, that EPCOR Energy Alberta GP Inc. ("EEA") is billed by EDTI, for the site, for the applicable billing period.

Regulated Rate Tariff – Price Schedule

Lighting Service

Applicable:

5. Available to existing lighting service customers within the EDTI service area. This price is not available to new services. This rate applies to all lighting service customers who obtain service pursuant to the EDTI Distribution Tariff and whose annual consumption at the site is forecast by EDTI to be less than 250 megawatts of electric energy.

Price:

Energy Charge	**7.159** (cents/kWh)[1]
Administration Charge	**$ 0.192** ($/Day/Site)[2]
System Access Service Charge[3]	As per the EDTI Tariff
Distribution Access Service Charge[3]	As per the EDTI Tariff
EDTI Riders[3]	As per the EDTI Tariff
Local Access Fee[3]	As per the EDTI Tariff

Regulations:

6. Service under all EEA's Rates, Charges and Riders is subject to the Regulated Rate Tariff Terms and Conditions as approved by the Alberta Utilities Commission.

[1] Rates subject to change monthly. For current rate information go to https://www.epcor.com/products-services/power/rates-tariffs-fees/Pages/regulated-commercial-power-rates.aspx

[2] Administration charges subject to change. For current administration charge information go to https://www.epcor.com/products-services/power/rates-tariffs-fees/Pages/regulated-commercial-power-rates.aspx

[3] Shall be the amounts, either actual or estimated, that EPCOR Energy Alberta GP Inc. ("EEA") is billed by EDTI, for the site, for the applicable billing period.

Regulated Rate Tariff – Price Schedule

Miscellaneous Fees & Credits

1. Expedited Connection Charge

An Expedited Connection Charge is applied as follows:

a) Three business days notice is required prior to the service being transferred to the responsibility of the new Customer. Expedited service is available at an additional charge of $10.00.

b) Where a service exists but has been physically turned off at the time of application, three business days notice is required. Expedited service is available at an additional fee of $24.00

2. Reconnection of Service

The fee for reconnection of service after cut-off for non-payment of account is $41.00.

3. Dishonoured Payment Charge

Where a customer's payment is not honoured by the customer's bank or financial institution, a charge of $25 will apply for each such payment received by EEA.

4. Collection Fee

Where EEA delivers a "Turn-Off Notice" to a customer due to non-payment of amounts owing, a collection fee of $15.00 will be applied to the customer's account.

5. Cost Recovery Charges

For miscellaneous service request including providing historical data and other record searches, the charge will be based on the estimated cost of providing the service.

6. Customer Notification Fee

Where a customer fails to notify EEA that they have taken possession of a site and EEA is required to undertake an investigation to identify the customer, a fee of $20.00 will be applied to the customer's account.

7. E-Bill Credit

This E-Bill Credit will be applied to customers who have elected to be billed electronically. The credit will be applied to the customer's account only where the customer will be charged an Administration Charge for the billing period. The amount of the credit will be prorated based on the number of days in the billing period for which the customer is on electronic billing and will not exceed $0.85 per bill in 2021.
