MISCELLANEOUS FEES AND CHARGES

APPLICABILITY: The charges contained herein are applicable to the services provided as described below. Service shall be furnished in accordance with the Company's General Rules and Regulations, terms and conditions available at the Company's office and on file with the New Mexico Public Regulation Commission, which General Rules or subsequent revisions thereof are a part of this rate as if fully written herein.

NEW SERVICE CONNECTION CHARGES: In the event a customer requests a new service connection to existing Company facilities which are in the near vicinity of the customer's facility, and which does not require new service facilities beyond a normal and customary service line and meter installation, the customer shall pay to the Company a non-refundable meter and expansion fee of $650.00 for each new service installed.

SERVICE CONNECTION, DISCONNECTION OR RECONNECTION DURING NORMAL BUSINESS HOURS:

A. In the event a customer requests commencement and connection of water service through existing facilities as a new service account, there shall be no charge for this service.

B. In the event a customer requests termination and disconnection of water service to an existing service and account, the charge for this service shall be $20.30.

MISCELLANEOUS FEES AND CHARGES

C. In the event a customer requests restoration of water service previously disconnected in accordance with Rule 9 of the Company's Rules and Regulations, the charge for resetting water meter and reconnecting service shall be $20.30.

SERVICE CONNECTION, DISCONNECTION OR RECONNECTION BEFORE OR AFTER NORMAL BUSINESS HOURS: In the event a customer requests commencement and connection or water service through existing facilities, termination and disconnection of water service, or restoration of water service previously disconnected, the charge for such service shall be $30.00.

METER TAMPERING CHARGE: In the event it is determined that meter has been tampered with, the Company shall charge the customer $500.00.

LATE FEE: In the event a customer is delinquent in paying its bill by the due date, a late payment penalty will be applied of 10% of the balance (21st each month).

TAX ADJUSTMENT: Billings under this schedule may be increased by an amount equal to the sum of the taxes payable under the Gross Receipts and Compensating Tax Act and of all other taxes, fees, or charges (exclusive of ad valorem, state, and federal income taxes) payable by the utility and levied or assessed by any governmental authority on the public utility service rendered, or on the right or privilege of rendering the service, or on any object or event incidental to the rendition of the service.
