**Learn more. Have your say.**

EPCOR Natural Gas Limited Partnership has applied to the Ontario Energy Board to raise its natural gas rates, effective January 1, 2024, based on an OEB-approved formula that is tied to inflation and other factors intended to promote efficiency. **Other customers may also be affected. It is important to review the application carefully to determine whether you may be affected by these changes.**

#### **THE ONTARIO ENERGY BOARD WILL HOLD A PUBLIC HEARING**

The Ontario Energy Board (OEB) will hold a public hearing to consider EPCOR's application. During the hearing, we will question EPCOR on the request for a rate increase. We will also hear questions and arguments from individuals that have registered to participate (called intervenors) in the OEB's hearing. At the end of this hearing, the OEB will decide what, if any, rate increase will be allowed.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.
