

CONSTRUCTION NOTICE

City of Edmonton Transmission Reinforcement Project – Tree Removal

SEPTEMBER 2026

Whats Happening

EPCOR is building a new underground, 240kV transmission line, and 72 kV above-ground transmission line, as part of the City of Edmonton Transmission Reinforcement project. Trees and other vegetation will be removed along the line right-of-way east of Victoria Trail. Additional vegetation will also be removed further west along Yellowhead Trail as required.

In advance of this work, trees and other vegetation inside the work area will be removed in accordance with the City of Edmonton's Corporate Tree Management Policy. Funds collected by the City of Edmonton for the removal of these trees will be directed towards urban tree canopy growth, preservation, and protection.

Map of Construction Area

Project Overview

This project is needed to support the increasing demand for electricity in Northeast Edmonton and to replace existing transmission lines that are nearing their end of life. These upgrades are important to ensure your community continues to receive safe and reliable power.

Work will include:

- Building a **new substation**, located at 12310 62 Street NW
- Five kilometres of double circuit **240 kV underground transmission line**
- Four kilometres of double circuit **72 kV above-ground transmission line**
- **Distribution line** relocations
- Modifications to the existing **Namao Substation**

Schedule

Tree removals are anticipated to take place in fall 2026. Construction on the underground transmission line will begin once tree removals have been completed. Construction on the underground 240kV line is expected to continue until late 2028.

Please note, timelines are estimates and may change based on weather and construction conditions.

Hours of Work

Regular working hours are **7:00 a.m. to 7:00 p.m. Monday to Saturday**. If required, these hours may be extended, and construction may occur on **Sundays from 9:00 a.m. to 5:00 p.m.**

EPCOR will ensure that work is carried out in accordance with the City of Edmonton noise bylaw.
