 - Invoice No. and DateCopy of the City of Edmonton acceptable sticker or Permit Services Report

Total amount for backwater valve installation

SECTION 5

Acceptance of conditions

In applying for the EPCOR Backwater Valve Subsidy program, I understand and agree to the following conditions:

- I am solely responsible for the work being done on my property.
- EPCOR assumes no liability whatsoever relating to the installation, operation or any work connected with the backwater valve.
- The presence of a backwater valve cannot be considered a guarantee that basement flooding will not occur.
- EPCOR does not endorse specific brands, products, dealers, contractors, or guarantee materials, workmanship, or performance of the eligible protective devices.
- The provisions of City of Edmonton Bylaw 19627, EPCOR Drainage Services Bylaw, including the Terms and Conditions of Service, apply to the EPCOR Backwater Valve Subsidy Program.

I certify that the information provided is true and accurate to the best of my knowledge. I understand that any false or misleading information provided will disqualify me from consideration for the subsidy. Further, I also understand that should false or misleading information come to light following payment of the subsidy, I will be required to refund same in full to EPCOR.
