

NON-STANDARD METER REQUEST FORM

EPCOR Distribution & Transmission (EDTI) requires a written request for the installation of a non-standard meter at your location. To ensure your request is processed efficiently, provide the following information and sign the authorization below within 30 days of the date posted on the letter. Please print clearly and note all fields are mandatory. For more information, refer to the 2022 Distribution Connection Services Terms and Conditions regarding requests for non-standard meters located at epcor.com.
