Regulated Rate Tariff – Price Schedule

Miscellaneous Fees

1. Expedited Connection Charge

An Expedited Connection Charge is applied as follows:

a) Three business days notice is required prior to the service being transferred to the responsibility of the new Customer. Expedited service is available at an additional charge of $10.00.
b) Where a service exists but has been physically turned off at the time of application. Three business days notice is required. Expedited service is available at an additional fee of $24.00

2. Reconnection of Service

The fee for reconnection of service after cut-off for non-payment of account shall be $41.00.

3. Dishonoured Payment Charge

Where a customer's payment is not honoured by the customer's bank or financial institution, a charge of $25.00 will apply for each such payment received by EEA.

4. Collection Fee

Where EEA delivers a "Turn-Off Notice" to a customer due to non-payment of amounts owing, a collection fee of $15.00 will be applied to the customer's account.

5. Cost Recovery Charges

For miscellaneous service request including providing historical data and other record searches, the charge will be based on the estimated cost of providing the service.

6. Customer Notification Fee

Where a customer fails to notify EEA that they have taken possession of a site and EEA is required to undertake an investigation to identify the customer, a fee of $20.00 will be applied to the customer's account.

7. E-Bill Credit

This E-Bill Credit will be applied to customers who have elected to be billed electronically. The credit will be applied to the customer's account only where the customer will be charged an Administration Charge for the billing period. The amount of the credit will be prorated based on the number of days in the billing period for which the customer is on electronic billing and will not exceed $0.78, $0.82 and $0.85 per bill in 2018, 2019 and 2020, respectively.
