### About Intervention

The law provides for an open public hearing at which, under appropriate circumstances, interested persons may intervene. An interested person may be granted intervention if the outcome of the case will directly and substantially impact the person, and the person's intervention will not unduly broaden the issues in the case. Intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other parties' witnesses. However, failure to intervene will not preclude any interested person or entity from appearing at the hearing and providing public comment on the application or from filing written comments in the record of the case.

To request intervention, you must file an **original and 13 copies** of a written request to intervene with Docket Control, 1200 West Washington Street, Phoenix, AZ 85007, **no later than February 11, 2019**. You also must serve a copy of the request to intervene on each party of record, on the same day that you file the request to intervene with the Commission. Information about intervention and sample intervention requests are available on the Commission's website ([www.azcc.gov](http://www.azcc.gov)) by going to the "I Want To" drop down menu and then using the "Intervene in a Utility Case" link.

Your request to intervene must contain the following:

1. Your name, address, and telephone number, and the name, address, and telephone number of any person upon whom service of documents is to be made, if not yourself;
2. A reference to **Docket No. WS-01303A-19-0011**;
2. A short statement explaining:
  - a. Your interest in the proceeding ( e.g., an owner of property in the proposed extension area, etc.);
  - b. How you will be directly and substantially affected by the outcome of the case; and
  - c. Why your intervention will not unduly broaden the issues in the case;
4. A statement certifying that you have served a copy of the request to intervene on the utility or its attorney and all other parties of record in the case; and
5. If you are not represented by an attorney who is an active member of the Arizona State Bar, and you are not representing yourself as an individual, sufficient information and any appropriate documentation to demonstrate compliance with Arizona Supreme Court Rules 31, 38, 39, and 42, as applicable.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before **February 11, 2019**.
