

IMPORTANT INFORMATION FOR OUR CUSTOMERS

On September 1, 2015 your wastewater rates changed.

Mohave Wastewater District

Docket # WS-01303A-14-0010

RATES FOR SERVICE IN EPCOR'S MOHAVE WASTEWATER DISTRICT ARE REVIEWED AND APPROVED BY THE ARIZONA CORPORATION COMMISSION (ACC). EPCOR FILED AN APPLICATION REQUESTING AN INCREASE TO ITS RATES AND CHARGES ON MARCH 10, 2014. ON AUGUST 27, 2015, THE ACC VOTED TO APPROVE NEW RATES AND TARIFFS FOR THE MOHAVE WASTEWATER DISTRICT IN DECISION NO. 75268. NEW RATES ARE EFFECTIVE SEPTEMBER 1, 2015.

EXAMPLE:

Mohave residential wastewater is a flat rate, and the increase will be phased in over three years. The monthly wastewater bill for an average residential customer will increase from \$55.55 to \$63.84, an increase of \$8.29 or 12.89 percent. Customers will see an additional increase of \$7.23 per month in the second year and \$7.46 per month in the third year.

You may see an adjustment on your bill to reflect these changes. For example, if your bill is for service from August 15 to September 15, you will be charged under the old rates from August 15 through August 31 and under the new rates from September 1 through September 15.
