(Name of Service Area)

Central Arizona Project-Raw (Untreated) Water Service CAP-1

Availability

Available to golf courses and other irrigation or turf facilities within the CC&N boundaries of this District.

Rates

All Consumption	Per 1,000 gallons	<u>Rate</u> \$1.03
-----------------	-------------------	-----------------------

Special Conditions

Availability is subject to the Customer entering into a Line Extension Agreement with the Company to construct the necessary facilities for delivery of C.A.P. water.

Rate shall be adjusted each year an amount equal to the percentage increase in charges assessed to the Company by the Central Arizona Water Conservation District for delivery of C.A.P. water. Such charges shall include "water service capital charges", "fixed O.M. & R. charges", "energy charges" and any incidental fees assessed for the ability to take raw water from the point of delivery. All such charges shall be as assessed on a per acre-foot basis.

The Company is not responsible for the quality of water provided under this tariff. This is raw untreated water and the Company is not responsible for complying with any health or environmental conditions for its use.

Terms and Conditions

Water service provided under this rate schedule is subject to this District's Rules and Regulations applicable to Water Service and may be subject to this District's Miscellaneous Service Charges set forth in Rate Schedule MISC-1.

Water service under this Schedule is for the exclusive use of the Customer and water shall not be resold or provided to others.

All rates in this Schedule shall be subject to their proportionate part of any taxes or other governmental imposts which are assessed directly or indirectly on the basis of revenues derived from service under this Schedule, or on the basis of the service provided or the volume of water produced, purchased or sold.

A 1½% late payment penalty will be applied to account balances not paid within twenty-five (25) days after the postmark date of the bill in accordance with Rule 8 (H).

Groundwater Savings Fee GSF - 1

Applicability

Applicable to all customers of this District receiving service under General Water Rate G-1, Irrigation Water Rate I-1 or Public Interruptible Water Service Rate PIR-1.

Residential Users

Flat Rate per unit per month Rate
\$1.31 *

* Rate consists of \$0.03 credit per unit to refund the over collection of prior years' surcharge and \$1.34 per unit for the collection of current annual CAP charges.

Other Users

All Usage per 1,000 gallons per month Rate
\$0.2198 **

** Rate consists of \$0.0058 credit per 1,000 gallons of usage to refund the over collection of prior years' surcharge and \$0.2256 per 1,000 gallons of usage for the collection of current annual CAP charges.

Terms and Conditions

Annual Adjustment of Annual Costs Portion of Groundwater Savings Fee

At the close of each calendar year, the Company will compute the surcharge revenues for ongoing CAP water costs billed and received during the previous twelve months and compare such total with the actual CAP water payments applicable to the same period. Any surplus or deficit relating to differences between estimated and actual customers, sales, or CAP payments will be included in the computation of the new Annual Costs portion of the Groundwater Savings Fee for the coming year, beginning with customer billings each March 1st. The new rates will be developed as follows:

-	Surcharge revenues during the preceding calendar year.
=	<u>Actual CAP payments (including MWD credits) applicable to preceding year</u>
	(+) surplus or (-) deficit
+	<u>Estimated CAP payments for coming year (M&I + delivery - MWD credits)</u>
=	<u>Total target amount to recover during the coming March - February</u>

The above computed target amount will be allocated between residential and commercial customers on the basis of usage projected for the future March - February period. Residential customers will be billed a fixed monthly surcharge based on projected customer bill numbers, with commercial customers billed on a per 1,000 gallon usage basis, based on consumption forecasted for the same March - February billing period.

All rates in this Schedule shall be subject to their proportionate part of any taxes or other governmental imposts that are assessed directly or indirectly on the basis of revenues derived from this Schedule.

CUSTOMER WATER CONSUMPTION INFORMATION SHARING
WITH CITY OF SURPRISE, WASTEWATER PROVIDER

EPCOR Water Arizona Inc. ("EWAZ" or "Company") is authorized to share water consumption information of individual customers with the City of Surprise ("the City"), a municipal provider of wastewater service for common customers purchasing water from EWAZ and wastewater from the City. The purpose of this Tariff, and the authorized provision of customer water consumption information, is to assist the City in billing for wastewater utility services. City agrees that it is only authorized to use such water consumption information for purposes of wastewater services billing and is not authorized to disclose such information to any other party except as may be required by law.

EWAZ entered into an Agreement with the City for providing individual water consumption data, in a form materially similar to the standard form agreement. The Agreement was subject to Arizona Corporation Commission ("Commission") review as set forth in Section 6 of the agreement.

EWAZ shall notify all water utility customers affected by the agreement between the Company and the City pursuant to this Tariff, by means of a billing insert during the first billing cycle immediately after said tariff is approved.
