

# RAINWATER HARVESTING REBATE PROGRAM POLICY

## To qualify for a rebate:

- The Rebate Program is available to single-family residential properties with water meters up to and including 1 inch, and small commercial EPCOR Water customers. Small Commercial is defined as a property with a single meter that is 5/8, 3/4, or 1 inch in size. Commercial properties with more than one meter or meters larger than 1 inch do not qualify. Call 575-763-5538 for verification.

## REBATE DETAILS:

**Applicants may apply for a rebate of materials and labor not exceeding \$500 per property. Reimbursement will be made as a credit to your EPCOR account. Cost of Installed SYSTEM up to \$500:**

- Rebate amount includes tank, gutter, tank foundation, overflow, and miscellaneous materials, which make up the system. For example, you purchase an 50 gallon tank; install gutter, overflow and miscellaneous fittings. Your purchase receipt for the materials is \$300. You pay a licensed contractor \$150 to install the system. Your total rebate will be \$450. The rebate covers the complete system, tank, gutter, miscellaneous fittings, etc., not just the tank. If you install the system yourself, or use a non-licensed contractor, you will not be eligible for reimbursement for the installation labor.

## PLEASE NOTE:

- Rebate applications must be complete and are subject to verification and availability of funds.
- EPCOR reserves the right to verify and inspect the installed rainwater harvesting system.
- EPCOR reserves the right, at its sole and absolute discretion and at any time, to change any or all of the Rebate Program Policy or to cancel the rebate program without prior notice.
- EPCOR shall not be liable for any damages incurred as a result of the installation or use of a rainwater harvesting system.
- Allow up to eight weeks for your completed application to be processed and receive an account credit.
- Original itemized receipt(s) of materials and labor are required to process the rebate application. (EPCOR does not accept scanned documents or photo copies)
- Receipt(s) submitted for materials and labor must be from licensed businesses/contractors and show:
  - itemized work and/or materials
  - date work performed or materials purchased
  - applicable sales tax and total

# RAINWATER HARVESTING REBATE PROGRAM POLICY

**The rainwater harvesting rebate program will NOT cover costs for the following:**

- imported or exported soil to create passive rain garden practices
- purchase and delivery of gravel or decomposed granite (also known as DG or ¼ minus) as a surface cover
- purchase or installation of landscaping materials such as plants, edging, decorative gravel, etc.
- installing, raising, or improving a driveway and removing concrete, asphalt, etc.
- purchase of tools such as shovels, rakes, drill bits, garden hoses, etc.
- purchase or installation of pumps or associated controls, irrigation systems, or backflow prevention devices
- purchase or installation of open, used or reconditioned tanks/cisterns
- labor completed by owner, neighbor, friend, handy man, or unlicensed contractor
