

CONSTRUCTION NOTICE

Capital Line South LRT Utility Relocation Project
111 Street NW from 29A Avenue NW to 23 Avenue NW
OCTOBER 2023

PROJECT OVERVIEW

As part of the City of Edmonton's Capital Line South LRT Extension Project, EPCOR is responsible for relocating all the power, water and drainage utilities to avoid potential conflicts with future LRT infrastructure. This line is an extension of the current Capital Line, which will operate from Century Park to Ellerslie Road.

To meet the overall LRT project schedule, the City of Edmonton has requested that EPCOR perform the utility relocations within specific areas along the alignment prior to LRT construction. EPCOR Capital Line LRT projects began in **March 2023** and will continue into **2024**.

WHAT'S HAPPENING

Starting in **early October**, for approximately **two months**, EPCOR will be working along 111 Street NW from 29A Avenue to 23 Avenue NW within the meridian to install new underground power cables.

To install the new power cables, EPCOR will be working in the existing underground duct banks and connecting power cables between each location.

SCHEDULE

Construction is expected to be complete within **two months**, weather permitting. The typical hours of construction will be **7:00 a.m. to 9:00 p.m., Monday to Saturday**.

PROJECT DETAILS

Residents and businesses can expect to see activity that is typical to construction, including company/contractor vehicles and equipment.

Power Outages

Power outages may be necessary at times to ensure work can be completed safely. Customers can learn more about power outages at epcor.com/poweroutages.

Noise

This project may be noisy at times. We will comply with the City of Edmonton's Community Standards Bylaw for Noise Control. If it is necessary to temporarily exceed acceptable noise levels, we will work with the City of Edmonton to obtain the necessary permits.

Restoration

Landscaping and pavement will be restored after construction is complete and weather permits.

PROJECT AREA

Please note work areas may change due to weather or ground conditions.

TRAFFIC IMPACTS

Temporary road/lane and sidewalk restrictions are expected along the west side of 111 Street NW from 29A Avenue to 23 Avenue NW. Signage will be used to indicate traffic detours.

PEDESTRIAN IMPACTS

Temporary sidewalk restrictions are expected along the west side of 111 Street NW from 29A Avenue to 23 Avenue NW. Signage will indicate pedestrian detours and access through this area will be maintained.

SAFETY

The construction area will be fenced and/or marked as a restricted area. We will take every precaution to ensure public safety. We also need your assistance in keeping a safe distance from the construction sites and equipment.
