Off-Site Facilities Hook-Up Fee (Wastewater)
Arizona Wastewater District

I. Purpose and Applicability

The purpose of the off-site facilities hook-up fees payable to EPCOR Water Arizona, Inc. – Arizona Wastewater District (“the Company”) pursuant to this tariff is to equitably apportion the costs of constructing additional off-site facilities to provide wastewater treatment plant facilities among all new service laterals. These charges are applicable to all new service laterals established after the effective date of this tariff. The charges are one-time charges and are payable as a condition to Company’s establishment of service, as more particularly provided below.

II. Definitions

Unless the context otherwise requires, the definitions set forth in R-14-2-601 of the Arizona Corporation Commission’s (“Commission”) rules and regulations governing wastewater utilities shall apply interpreting this tariff schedule.

“Company” means EPCOR Water Arizona, Inc. – Arizona Wastewater District.

“Collection Main Extension Agreement” means any agreement whereby an Applicant, Developer and/or Builder agrees to advance the costs of the installation of wastewater facilities to the Company to serve new service laterals, or install wastewater facilities to serve new service laterals and transfer ownership of such wastewater facilities to the Company, which agreement does not require the approval of the Commission pursuant to A.A.C. R-14-2-606, and shall have the same meaning as “Wastewater Facilities Agreement.”

“Off-Site Facilities” means the wastewater treatment plant, sludge disposal facilities, effluent disposal facilities and related appurtenances for proper operation, including engineering and design costs. Off-site facilities may also include lift stations, transportation mains and related appurtenances necessary for proper operation if these facilities are not for the exclusive use of the applicant and benefit the entire wastewater system.

“Service Lateral” means and includes all service laterals for single-family residential or other uses.

III. Off-Site Facilities Hook-Up Fee

For each new service lateral, the Company shall collect an off-site facilities hook-up fee as listed in the following table

- (I). Disposition of Excess Funds: After all necessary and desirable off-site facilities are constructed utilizing funds collected pursuant to the off-site facilities hook-up fees, or if the off-site facilities hook-up fee has been terminated by order of the Arizona Corporation Commission, any funds remaining in the trust shall be refunded. The manner of the refund shall be determined by the Commission at the time a refund becomes necessary.
